HOW TO:

INSTRUCTIONS

1. Select and clean a container.
2. (Optional) Drill, or punch, two small holes in the opposite sides of the container. These holes will be used for handles. (Some girls decided not to use handles)
3. Glue fabric onto the container using a mix of water and glue. (One tablespoon of glue to one-half teaspoon of water.)
4. Choose fabric, cut to size, and wrap around your container.
5. Attach your handles using 15 inches of wire.
6. Using a hot (low temp) glue gun, embellish your container with fabric, ribbon, trim, buttons, and more.
7. Print out the JOY JAR scripture onto cardstock paper, cut, and attach with wire. Remember, this is YOUR JOY JAR...Have **FUN!**

Fill your jar with the trials that you are going through. Write them down on pieces of paper, fold them up, and put them in your JOY JAR. A week, a month, or even a year later, take out a piece of paper and open it up. See how GOD has used this trial in your life to make your faith stronger and better.
